## MURDERERS AGAIN RESPITED.

Governor Sproul again postponed the electrocution of Clarence R. Collins and Charles C. Reinecker. Their execution had been fixed for week of March 28, but at the last moment the respite came and the week of April 25 has been fixed for the execution. The Adams county murderers were originally sentenced to be executed the week of January 31. On January 20 it was announced that their executions had been postponed until the week of February 28 so as to allow the Board of Pardons to consider the matter. February 16 the Board refused to commute their sentences. Four days before February 28 the governor issued a respite to the week of March 28; no to April 25.

It is likely there is no mystery in the matter, but that the governor awaits the adjournment of the Legislature, and any variance of the will of the people expressed in legislation. The time is coming when imprisonment for life without pardon will be substituted for execution, and in the States where tried there are fewer murders than in States where execution is still maintained. The governor with a nice appreciation of such possibilities would not order executions while Legislatures are sitting, and such a change might take place.

## DUPLICATES TO COLLECTORS.

Commissioners Issue Tax Duplicates With 21,500 Taxables on List.

On Monday afternoon, March 28, after the court had approved the tax collectors' bonds, the county commissioners' office delivered into the tax collectors' hands the 1921 tax duplicates, the preparation of which was the biggest task in connection with tax duplicates in the history of the county. For example there are now twice as many taxables in the county as in former years, the names of about 21,500 men and women are on the duplicate, the assessment of each of these men and women had to be figured at 7 1-2 mills for county tax, at 2 mills for bridge tax and at 1 1-2 mills for bond tax, then in addition to this there are about 4000 taxables in the county who have money at interest in some form and each of these had to be figured at 4 mills for state tax. The transcribing of all of these assessments and taxes, the addition of the taxes and the comparing of the same connected with the task kept the office busy for many days and many half nights.

The new duplicates contain the names of women as well as of men all of whom had official notice of assessment for appeal privileges and they will all receive tax notice from the tax collectors. This makes all men and women taxed, liable for the amounts of taxes against them as they appear in the duplicates.

The amount of county taxes against a large majority of women is 50 cents, this applies to those who are assessed only \$50 occupation. Those assessed at a higher sum, of course, will have more tax to pay.

The commissioners' office was busy all day settling with tax collectors for outstanding tax and at the close of the day's work there were still some districts which have not "squared up," as the following record shows the districts still owing tax and the year's tax outstanding together with the tax collector's name.

Bendersville, W. O. Routsong, Col., 1920 \$33.35; 1919 \$45.82.  
Berwick Twp., Jonas Flickinger, Col., 1920 \$22.00.  
Franklin Twp., A. L. Carbaugh, Col., 1920 \$719.64.  
Gettysburg, H. E. Bumbaugh, Col., 1920 \$1149.96; 1919 \$196.60.  
Hamiltonban Twp., H. C. Shryock, Col., 1920 \$941.06.  
Menallen Twp., L. A. Warren, Col., 1920 \$221.99.  
Mt. Pleasant Twp., P. D. Keiser, Col., 1920 \$133.85.  
Reading Twp., J. P. Myers, Col., 1920 \$67.82.  
Straban Twp., J. K. Frommeyer, Col., 1920 \$955.25; 1919 \$216.71.  
Tyrone Twp., G. K. Linah, Col., 1920 \$32.60.

Total outstanding taxes, 1920 \$4297.52; 1919 \$1454.13.

A study of the above record will show that 22 of the 32 tax collectors have a clean sheet and will not be hampered with more than the 1921 tax duplicate to start with. It will also suggest that in all of the above districts excepting three there is very little money to pay in view of exonerations and expenses and commissions still to be credited to the collectors.

FARM WANTED—Wanted to hear from owner of farm or good land for sale worth the price asked. L. Jones, Box 551, Olney, Ill.

## Thinks There is None Better.

Moses Richardson, R. F. D. 1, Box 78, Ramer, Okla., writes: "I had a hurting in my chest and coughed until I gasped for breath. Foley's Honey and Tar relieved me of my trouble and did me so much good I don't think there is a better medicine for colds, coughs and hoarseness." Good for children—and safe. People's Drug Store.

A series of evangelical services which will be continued for the next ten days has started in Sheely's U. B. Church near Cashtown by Rev. Harry Kottler, pastor.

## Was in Bed Three Days.

Mrs. Josie Reed, 217 N. Exter St., Tulsa, Okla., writes: "I was in bed three days with my back. I took Foley Kidney Pills and in two days was at my work again." They help me eliminate from the system the poisons that cause backache, rheumatic pains, stiff joints, sore muscles. People's Drug Store.

John Boyce and family and Albert Garrett, of Strasburg, Va., moved recently to the D. H. Sharrer farm at Sharrer's Mill, near New Oxford.

## Chamberlain's Tablets Are Just What You Need.

When bilious  
When constipated  
When you have no appetite  
When your digestion is impaired  
When your liver is torpid  
When you feel dull and stupid after eating

When you have headache  
They will improve your appetite, cleanse and invigorate your stomach, regulate your bowels and make you feel "fine as a fiddle." They are easy to take and agreeable in effect. People's Drug Store.

There will be an Easter service held at Grace Church, Two Taverns, on Saturday evening, March 26th.

## Praises Them to His Friends.

Backache is a symptom of weak or disordered kidneys. Stiff and painful joints, rheumatic aches, sore muscles, puffiness under the eyes, are others. You need not suffer. Ben Richardson, Viningrove, Va., writes: "I praise Foley's Kidney Pills because they sure have helped me."

Louis Harris, of York, was driving toward Gettysburg when he stopped to fix a puncture near Abbottstown. His car was standing at the right of the road but the driver of a car going toward York was blinded by the lights and failed to see Mr. Harris, who was struck by the fender of the other car and had his leg broken. His brother, Abe Harris, proprietor of the Harris Store, Gettysburg, was with him.

## BURNS

Use one soothing,  
cooling application of

VICK'S VAPORUB

John H. Albert, having sold his 114-acre farm west of Hampton to Geo. W. Gordon, of Middletown, Va., will move to East Berlin.

## Relieves Rheumatic Pains.

"I am subject to rheumatism and when I have a spell of it one or two applications of Chamberlain's Liniment relieves the pain and makes rest and sleep possible. I would not think of doing without it," writes Mrs. C. Owsley, Moberly, Mo.

## If We Should Ask You

whether you are interested in the progress of Adams County—the development of its industries on the farm and in city and towns—you'd probably look at us with that "foolish question number six thousand" look in your eye and say "you bet" or something like that.

Yes, we'll admit that, in a way, that is a

foolish question because we can't imagine any good citizen feeling otherwise, and you are a good citizen, we know.

Every farmer, dairyman, fruit grower, merchant or manufacturer knows that local development requires money. When necessary they come to the bank and borrow on "suitable security," as the bankers put it.

## Discounting Sale Notes

is a specific service of this kind. That is where the depositor comes in, because money deposited at the bank helps to increase the amount which can be used in this way.

So you see as a depositor at the Old First National of Gettysburg you are helping local progress. In addition your surplus funds are earning 4 per cent interest compounded

semi-annually, you are relieved of all anxiety as to their safety and you can have your money for your own use just whenever you wish to withdraw it.

Safe investment of money is a serious proposition. Talk this matter over frankly with us from your own personal angle. We are always glad to give to all the benefit of our sixty-three years of experience.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists. 75c.

I cannot speak too highly in praise of it," writes Mrs. D. J. Shelley, Earlville, N. Y. Chamberlain's Cough Remedy contains no narcotic and may be given to children with perfect confidence. It is a pleasant syrup so they do not object to taking it. People's Drug Store.

## Feet Drag?

When it is an effort to drag one foot after the other, when you are always tired and seem lacking in strength and endurance, when aches and pains rack the body, it is well to look for symptoms of kidney trouble.

## Foley Kidney Pills

banish effects of kidney and bladder trouble by removing the cause. They are healing and curative. They tone up and strengthen the weakened or diseased organs. They relieve backache, rheumatic pains, stiff joints, sore muscles.

W. W. Wells, Tonquin, Mich., writes: "I get great relief from taking Foley Kidney Pills. I am on my feet most of the time and get tired out. After taking Foley Kidney Pills, they make me feel like a new man. I recommend them to my customers and never have heard of one where they did not give satisfaction."
